

# Estimating Area

I can estimate the area of irregular shapes.

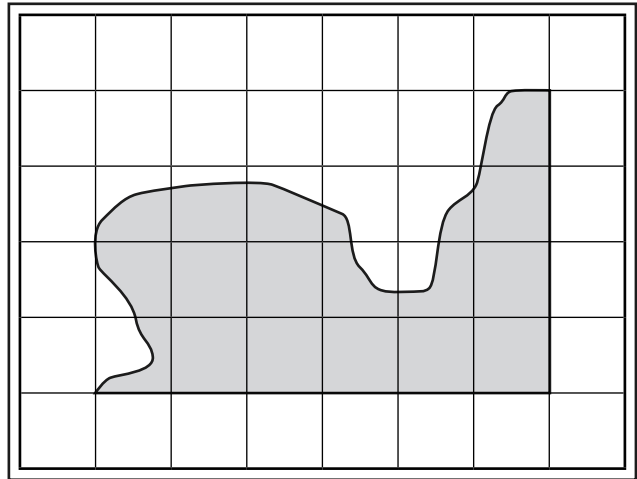

- 1) Count whole squares and squares which are half-filled or more to estimate the area of these shapes.

a)

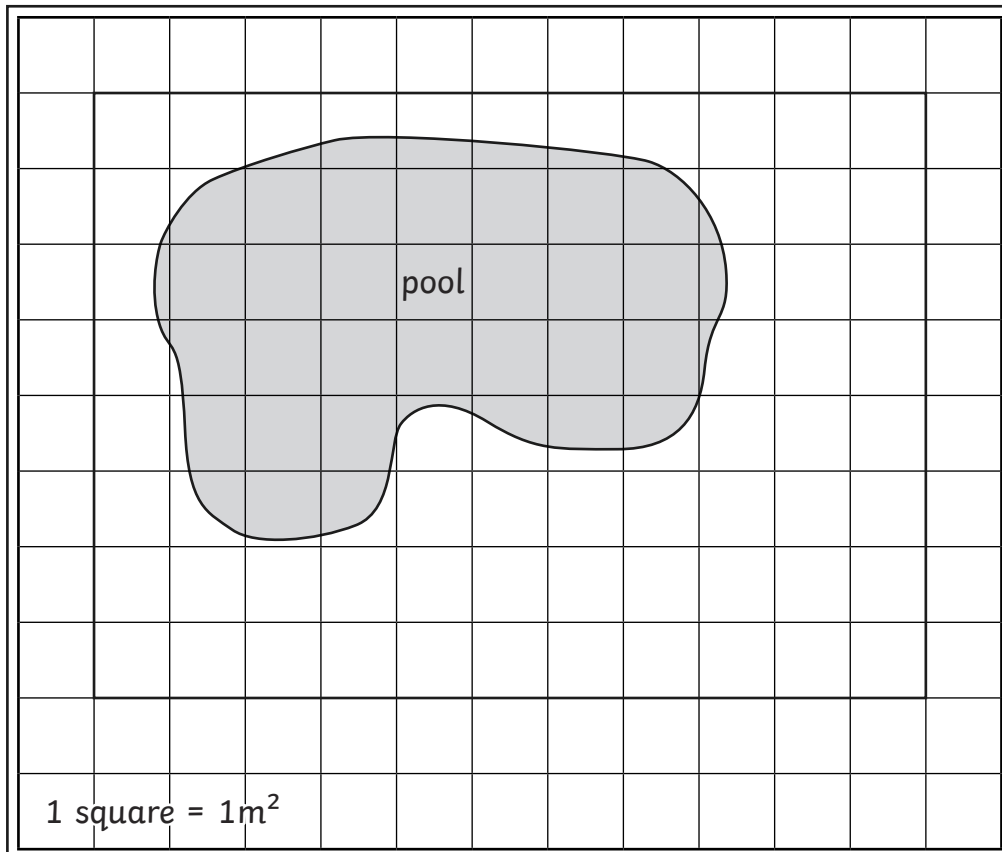

Estimate: \_\_\_\_\_

b)

Estimate: \_\_\_\_\_

- 2) Estimate different areas within the penguin enclosure.

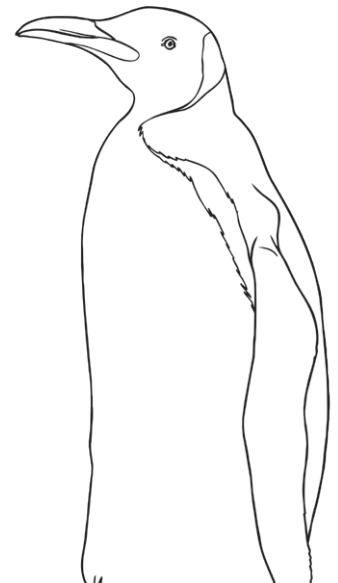

Estimate the area of:

- a) the whole enclosure

\_\_\_\_\_

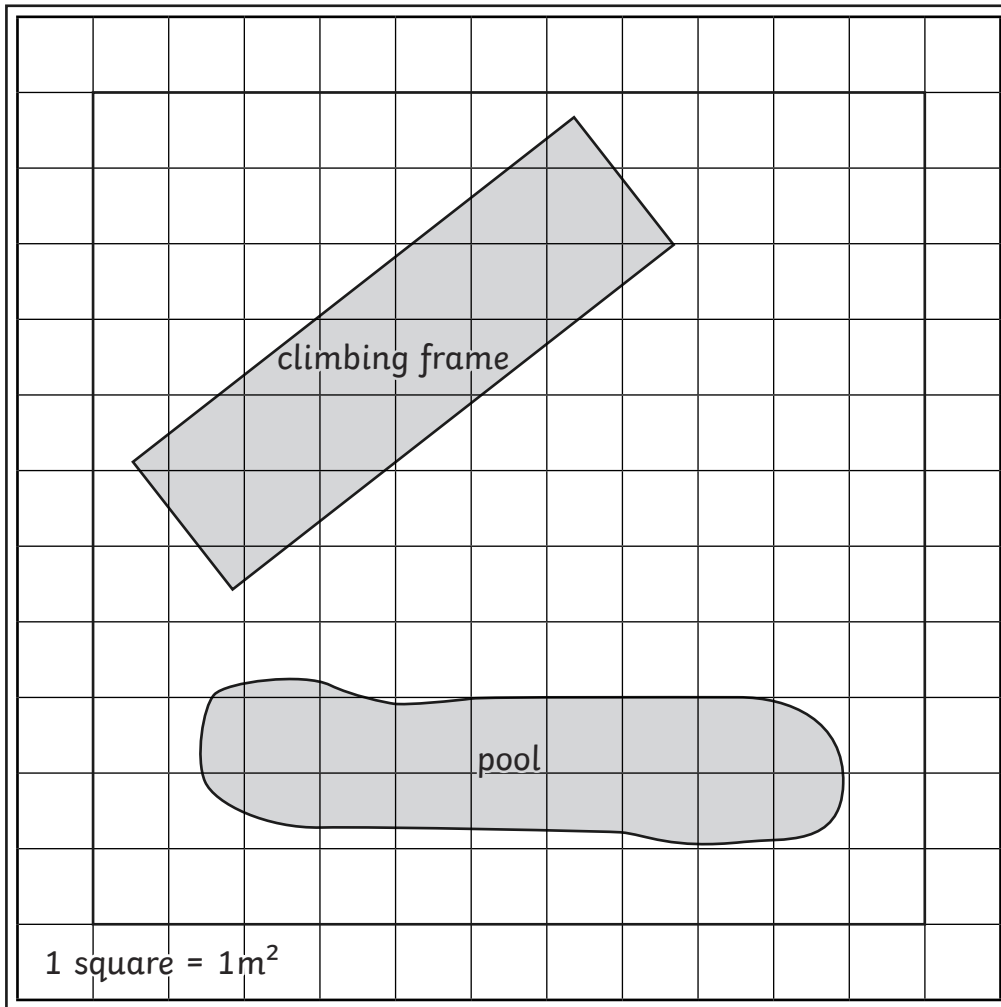

- b) the pool area

\_\_\_\_\_

3) Estimate different areas within the monkey enclosure.

Estimate the area of:

a) the whole enclosure

\_\_\_\_\_

b) the pool area

\_\_\_\_\_

c) the climbing frame

\_\_\_\_\_
