Rat and Mole's Friendship

In today's extract, we saw the strength of Rat and Mole's friendship and the elements of their contrasting personalities. I would like you to have a go at answering the questions below using the PEE structure (your answer should be at least a paragraph long) and then have a go at the extra challenge.

Remember PEE = Point Evidence Explanation

1. Do you think Rat is brave for rescuing Mole in the Wild Wood?
2. Does Mole show that he is ignorant in this chapter?
3. Which animal would you prefer to be friends with?

CHALLENGE:

Design and make a Friendship Top Trumps card for both Rat and Mole. What will your four categories be? How will each of them score? Who will get the

higher overall score? Remember to give a brief explanation about the character, as is standard on a Top Trumps card, and include an image. You could do it by hand or on the computer.

If you're unsure of what a Top Trumps card is, then I've put an example below.
