Mole

Who is the first character in the book?

What is he like?

What was he doing at the beginning of the book?

What did he think about the river? What effect does the writer create with the description of the river?

Why do you think he was 'bewitched, entranced and fascinated'?

I think he thought the river was ...

The impression the writer gives is ...

I think he was 'bewitched, entranced and fascinated' because ...
