Doves Home Learning

English

Here are some ideas for what you could help your child to write at home:

-stories

-lists (shopping, wish lists etc.)

-fact files on something they are interested in

-a diary about their day/week of home learning

-posters

-leaflets

-letters/postcards

Things to focus on helping your child with when they are writing:

-thinking of and saying their sentence out loud

-capital letters

-full stops

-using finger spaces between words

-using the correct spellings (especially their tricky, high frequency words and any suffixes/prefixes previously learnt)

-using the correct tense

-using a question mark or exclamation mark

-using 'and', 'but' and 'because' to join their sentences

Here are some great website links for English sessions and games:

KS1 English - England - BBC Bitesize – Home learning videos and activities.

https://www.spellingshed.com/en-gb - practise your spelling lists for the week or have a go at the other games.
https://www.ictgames.com/mobilePage/literacy.html - there are lots of great English games on here.

You could try: Thesaurus Thermometer, Writing Runway and non-fiction.
https://www.bbc.co.uk/teach/supermovers/ks1-english-collection/zjsghbk - BBC Supermovers have fun KS1 English videos for you to watch and join in with.

Letter formation and handwriting practise.

Maths

Here are some ideas for you do interactive maths at home:

-create your own shop and practise finding amounts of money and giving change

-telling the time

-weighing ingredients for cooking

-sharing amounts and cutting food into fractions such as halves, quarters etc.

-learning the days of the week and the months of the year and being able to spell these

-numbers to 50 and beyond – knowing which is the tens and ones and being able to count forwards and backwards from any given number

-measuring using hands, feet, blocks etc.

-measuring using rulers, tape measures, thermometers, jugs etc.

-times tables

-number formation

Here are some great website links for Maths sessions and games:

https://play.ttrockstars.com/auth/school/student

https://www.bbc.co.uk/teach/supermovers/ks1-maths-collection/z6v4scw - BBC Supermovers have KS1 fun maths videos for you to watch and join in with.

KS1 Maths - England - BBC Bitesize – activities and videos for lots of different maths areas.

Phonics

Letters and Sounds will uploading daily phonics lessons like we would have been doing in school. You can search for them on YouTube.

http://www.letters-and-sounds.com/phase-5-resources.html - Letters and Sounds will show you all of the sounds that you need to be working on including tricky words. Year 1 should practise phases 3-5 and Year 2 should recap phase 5 and work on their spelling.

Here are some great website links for Phonics sessions and games:

It is ok to practise all of the different phonics phases. Here are some websites that will help you continue to practise your phonics.

Mr T's Phonics - YouTube – Mr thorne and Geraldine Giraffe learn phonics.

Alphablocks - YouTube – fun videos including phonics sounds.

PhonicsPlay – Great interactive games and resources

Password: home

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/ - Oxford Owl have lots of free ebooks for you to choose from.

https://home.oxfordowl.co.uk/storyteller-videos/ - Oxford Owl also have storyteller videos to watch.
https://www.ictgames.com/mobilePage/literacy.html - there are lots of great phonics and reading games on here. You might want to try: Poop Deck Pirates, Foam Phonemes and Phonics Pop.

https://www.storylineonline.net/ - lots of fantastic stories being read by famous actors.

Topic

KS1 - England - BBC Bitesize – You will find a range of videos and activities for every area of the curriculum.

Cosmic Kids Yoga - YouTube

RE – activities and interactive links can be accessed via the collective worship/reflection space part of our school website.

https://www.outoftheark.co.uk/ootam-athome/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner - Out of the Ark are uploading 'Faith-Filled Sunday' videos every week. Songs that you can learn and get your family to join in with and then there are reflective faith based activities for you to choose from.

https://www.youtube.com/user/thebodycoach1/videos - The Body Coach TV is doing a session every morning called P.E with Joe.

https://www.youtube.com/watch?v=KhfkYzUwYFk - Go Noodle do lots of follow along videos for dancing and simple exercise.

https://musiclab.chromeexperiments.com/ - try out the music experiments to create different sounds, experiment with rhythm and sound waves and even create your own song!

https://www.classicsforkids.com/games.html - try some of the games on here. See if you can match the rhythm by clicking on the drum kit at the right time.

https://www.outoftheark.co.uk/ootam-at-home/ - Out of the Ark are uploading daily singing sessions for you to learn the song and then complete activities and challenges. Some even have sign language videos for you to learn the actions too. Look out for the 'Faith-filled Sunday' sessions which have songs like we would use in our collective worship time and reflective tasks for you to complete.
