SATs Information

What?

- National tests

Why?

- Every Year 2 child in England takes the tests as a check point in their school career

When?

- During autumn and spring terms I will be closely assessing your child
- SATs are taken any time in May

Please avoid taking your child out of school during this time.

How?

- Maths – 2 papers (Arithmetic and Reasoning)
- Reading – Comprehension (2 papers)
- Writing – teacher assessed
- Spelling, Grammar and Punctuation

Please do not use the trial SATs papers online with your child. I will need to use these to get a true picture of where your child is, in relation to the curriculum, and to inform lesson plans and support.

As a school, we aim to administer the tests within the classroom in a low-stress, low-key way and we do not refer to them as 'SATs' around the children. We try to make them as enjoyable as possible and a celebration of the children's learning.

A SATs meeting will be held in the spring term to provide you with further information and answer any questions that you may have.
